

ASTORIA PARK CONSERVANCY

2022-2026 IMPACT PLAN

OUR IMPACT

We will unify our community through intentionally co-creating spaces– transforming Teton County into a place where all residents know that they belong.

OUR GOALS

WELLNESS

By 2026, 80% of park users report a connection between wellness benefits gained at Astoria Park and improvements in their everyday life.

ACCESS

By 2026, 85% of community members report facing zero financial or physical barriers in accessing Astoria.

EDUCATION

By 2026, 50% of participants engaged in place-based education will connect conservation as an essential component of community health.

STEWARDSHIP

By 2026, Astoria Park Conservancy will double the longevity of infrastructure at Astoria–ensuring sustained healthy recreation for years to come.

YOUR SUPPORT

Between 2022 and 2026, **the cost to achieve these goals is approximately \$6.4 million.** Our earned revenue will offset this cost, but **we will raise \$1.8 million through generous supporters like you.** We are seeking partners that will ensure we can reach these bold goals as quickly as possible.
